ABOUT ME

Skilled communicator; able to establish good relationships with members of diverse groups, and effectively coordinate tasks to accomplish projects with timeliness and very capable of staying calm under pressure.
Frequently worked with people from diferent multicultural backgrounds. Motivated self-starter; able to spark interest and take initiative.
I love to travel, do sports and work with multicultural teams.

WORK EXPERIENCE

Board of European Students of Technology - Porto
Vice-President for Human Resources, 2015- 2016
My responsabilities included managing the recruitment process:
- Informal interviews to all possible candidates that want to join the association
- Provide them training in virtual communication
- Prepare group dynamics, where new members learn each local team (Marketing, Competitions, Fundraising and IT) working methods
- Be active in the organization of Motivation Weekend (weekend where members of the association get to know each other and have trainings to prepare the following events) and deliver sessions regarding Human Resources (Motivation, Mentoring, ...)
- Manage Mentor system (each associated member is responsible for a new member)
- Overview of new members path in the association

Faculty of Engineering of University of Porto
Class Monitor, 2016 & 2018
I was responsible for assisting the practical classes of C programming for 1st year students

Sport Clube do Porto - Sailing Department
Sailing Coach, 2012-2013
During my first year of college I was working as a sailing coach in "Sport Clube do Porto". I was responsible for teaching, leading and taking care of a 10 kids team with ages between 9 and 13.
